Cancer worker dies at 65

The funeral took place on Wednesday of Mrs Moira Skelly, aged 65, of Linton Park, Haslem, who worked much of her life in helping people (type not clear).

Mrs Skelly had not been ill for some time and she was out for the funeral. She was a very kind and helpful person and was well known to many of her friends.

Cancer worker dies at 65

THE funeral took place on Wednesday of Mrs Moira Skelly, aged 65, of Leazes Park, Hexham, who devoted much of her life to helping people cope with cancer.

Having been told somewhat brusquely five years ago that she required treatment for cancer herself, Mrs Skelly decided there and then to do everything she could to help fellow sufferers.

Through the letters column of this newspaper, she encouraged others to come together, talk, launch and plan occasions to alleviate the worries and fears of cancer patients and their families.

She was a founder member of the Hexham Cancer Friendship Group, which has been meeting every Friday morning at the TORCH centre in Hexham, for the last five years.

Mrs Skelly was also closely associated with the Northumberland Cancer Support Group, and was twice a representative at the National Cancer Convention in Manchester.

She also served on various health committees in Hexham, always supporting the position of the cancer patient.

She and her husband Tony came to Hexham from their native Gateshead on retirement 11 years ago.

She was a shop assistant in Felling for a number of years, and was also a short-term foster mother, auxiliary nurse and house mother at a children's home for a time.

However, much of her time was taken up being a full-time housewife and mother, raising her son Michael, and daughters Linda, Alison and Joy, and later, her nine grandchildren brought her much pleasure.

In her later life, she became involved in genealogy, tracing her family tree back to the 1700s, with connections in the USA, Canada and Australia.

Thanks Fayth,

I have the said Elizabeth on the 1881 census living at 19 Bell St. Ryhope with parents Alexander and Grace, (my 3 x gt grandparents). In 1881 she was 15 and they were 56 which makes them 41 at time of birth, probably a bit old to have children in those days but it happens. The 1881 census also shows Alexander, (my 2 x gt grandfather), as being born in Wendron, Cornwall, so it looks as though the sequence of events that I referred to as regards travel is correct but we will never know the reasons why. The 1891 census shows Alexander and Grace living at 20 Bell St, one dwelling removed from the 1881 census, (Elizabeth had flown the nest by this time).

Am almost finished compiling a few bits and pieces to send to you via post. I don't think the family tree I mentioned ex Moira Skelly scanned or travelled very well so that is included. I will aim to finish it before the (holiday) weekend and post it to you - should arrive sometime next week.

Best wishes

John

Hello John,

I suggest that you go to my home page -> BOSANKO link on my page scroll down to BESANKO and that will take you to Libby LUKE's page. This is her line and William and Grace are mentioned there.

You may not get an answer straight away as Tom & Libby may be in Cornwall at the moment, but I am sure that you will hear back.

And yes I would like a copy of Sheila's information.

Hi Fayth,

I tried this morning to send you 21st century copies of what Sheila had sent me, (that's jpg files). The first one appeared to go thro' OK but after that they just 'bombed'. Am now reverting to 20th century technology, (post) to send you copies. Could you also check something for me please. The sequence of events for Alexander and Grace appears to be a bit disjointed in so much as they left Cornwall in 1847(ish), married in the North East of England in 1848, returned to Cornwall for the birth of first son Alexander in 1849, then returned to the North East for the birth of second son William in 1850 and resided there. Not impossible I suppose, any ideas??

Best wishes

John

PS, will let you know when post has been sent, over next 24 hours.

Subject: Bosanko/Kistell

Posted by: [John Bosanko](#)

Message: Hi Fayth,

I have a fair bit of information on the Bosanko's which I would be only too pleased to forward hard copies of in exchange for whatever you have. I have a family tree from the Crowan & Wendron areas of Cornwall dating back to Samuel Bosanko marrying Florence Gundry in 1762 with the aforementioned Samuel Bosanko marrying Bridget Bennetts on 29-1-1821 at Camborne but with no offspring attached as yet. My intention is to join together the Cornwall tree with my own tree from the North East of England where I have 7 generations but am currently stuck at an Alexander Bosanko, (my ggfather), not knowing who his parents are to take it further back. If you would like copies of everything I have I would love to exchange, my address is,

John Bosanko
 18 Sycamore Avenue
 Washington
 Tyne & Wear
 NE38 9BH
 England.

Look forward to hearing from you

Best wishes

John

Hello Marie,

Yes I can help you as your Jane Ann is on my direct line. My information is that Jane Ann was the daughter of Alexander Bosanko and Ann Allen, my 2 x gt grandparents. She was born in the June 1/4 of 1877 and married a Thomas William Burley on 27th December 1909, making her 32 as you say. Jane Ann was a sister of my great grandfather John Bosanko, (I will leave you to work out our relationship). Jane Ann's grandparents, (Alexander Bosanko and Grace Bosanko, my 3 x gt grandparents), migrated from Cornwall to the North East of England, (where I live now), along with 3 other family members in the early part of 1848. Although Alexander and Grace were not married until July 1848 they had already had their 1st son Alexander, (my 2 x gt grandfather). Grace was a Bosanko before she married Alexander as they were half cousins courtesy of sharing the same great grandparents. Jane Ann was a schoolmistress living in Lononderry House, Ryhope, near Sunderland in the Durham coalfield.

The witnesses to the wedding, Esther and Benjamin, would have been her younger sister and brother I suspect but the name Benjamin has ran through the family since 1781.

The Benjamin that was killed in a mining accident was a son of my 3 x gt grandparents Alexander & Grace. He was killed in January 1881 at Ryhope Colliery. As he was descending into the mine in the cage, a block of ice from the side of the shaft fell through the roof of the cage and killed him instantly. He was 19 years old.

I do have lots of stuff on the Bosanko's that I would be only too willing to share with you, either by e-mail or old fashioned post. I have our direct line going back to Crowan and

Hi Fayth,

Please find enclosed copies of Bosanko papers as supplied to me by Sheila Ann Moyle. When I asked Sheila to do some research for me she had in her possession some Bosanko related papers which she had obtained from a lady named Moira Skelly, nee Blackman. I don't think Sheila has a Bosanko link so what she had was purely coincidental, but either way they are very useful.

I have also enclosed some other bits and pieces which I have accumulated over the years which may or may not be useful to you. Will send you latest updated chart when completed.

Best wishes

John Bosanko

Hi Kay

Thanks for the prompt reply. I have quite a lot of data on Cornish Bosanko's which you're welcome to if you need it for your database, covering Stithians, Crowan and Wendron, plus a few that moved north. It's all in note form on 'Word' and is just for my own reference and therefore not in any particular order.

My own Bosanko's are from Wendron, Cornwall, but can't get back past **William (b 1830/31)** married to Mary about 1850/54. All their children were born in Illogan, Cornwall as follows: Jane (b 1855), Mary H (b 1856), Elic (b 1858), Wills (b 1859), Rebekah (b 1862), **Lydia (b 22 Jan 1864)**, Johana (b 1866), John (b 1870), Benjamin (b 1871 June 1/4), Alexander (b 1874 June 1/4).

Lydia married John Duncan (b 6 Feb 1863) in 1887 Dec 1/4 at Redruth, Cornwall. Their children: William John (b 22 Jul 1889), Elsie (b abt 1890), Florence (b 18 Aug 1891),

Doris Annie (b 21 Nov 1894), Elizabeth Mary (b 12 Feb 1899).

Doris Annie married Arthur Rodda (b 24 Apr 1892) in Redruth 1911 Mar 1/4. Their children:

Clifford (11 Jan 1914 - 26 Aug 1939), Donald Arthur (b 6 Mar 1917),

Doreen Althea (b 31 Jul 1919), Mavis Stella (26 Jun 1929 - 26 Sep 1983).

Donald Arthur married Vera Elizabeth Elliott (14 Feb 1921 - 23 Aug 1978) on 15 Feb 1941 at Kenwyn St Methodist Church, Truro, Cornwall. Their children: David Elliott (b 17 May 1947), **Valerie Cheryl (b 28 Dec 1952).**

Cheryl married Frederick William Whiting (31 Aug 1945-14 Jul 1990) in Truro. Their children: Kirsten Louise (b 13 Dec 1970), Claire Marie (b 17 May 1980).

All in bold is my own line.

I'm wondering whether my William is the son of William Bosanko and Grace (Moyle) but their son William was baptised 25 Oct 1829, close, but close enough? Any help you can offer I'd be very grateful for. I have too much info to put in an e-mail, so if there's anyone in particular you need to know about, or you wish to see my notes, I'll attach them with another e-mail. Thanks again.

Cheryl

*** Welcome Cheryl to the list. K ***

Hi there

just come across your Bosanko page while searching for some of mine - mostly from Wendron area.
Be great if you could add me to your mailing list.

For your information my 2xGt grandfather was William Bosanko b. 1830/31, his daughter Lydia my gt
Grandmother etc. There's just so many Williams I'm beating my head on a brick wall at the moment.

Thanks for any help

regards from Cheryl Whiting

PS Apologies all for sending the last msg with all addresses up - I know it takes up a lot of space!

Letter of Medical Necessity
Heated Humidifier

Patient Name _____

Date: _____

Physician _____

Diagnosis _____

My patient _____ is exhibiting nasal congestion as a response to nCPAP therapy. Left untreated the congestion will limit the ability of the CPAP machine to deliver pressure to the pharynx. This will result in the patient returning to an untreated state of OSA. The pressure produced by the CPAP machine acts as an airway splint allowing the OSA patient regular respiratory breathing during sleep.

I am prescribing Heated Humidification to abate the nasal congestion. This device adds moisture to the nasal mucosa which reduces the congestion and the resistance which is limiting the effective CPAP pressure to the patient. The Heated Humidifier connects between the patient and the CPAP device and is effective in boosting moisture content in air beyond a typical passover humidifier.

The patient is experiencing one or more of the following symptoms:

Nasal congestion _____
